Dear Mr. Elder:

The Division of Water Pollution Control (division) was notified on September 26, 2011 that you had not finished the facility that you planned on building/operating and that you wanted to cancel your CAFO permit. Your permit application has been inactivated effective as of October 6, 2011.

If you should decide to construct a Concentrated Animal Feeding Operation(CAFO) in the future you should submit an application at least 180 days prior to the starting of any activities. A copy of the NOI form can be obtained at <http://www.tn.gov/environment/permits/cafo.shtml>.

If you have questions, please contact the division at the Knoxville Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Ms. Erin O'Brien at (615) 253-2245 or by E-mail at Erin.O'Brien@tn.gov.

Sincerely,
